

## Veterans Housing Group Occupies Barracks Buildings At Airport

Old Army barracks buildings at Torrance Municipal Airport are being occupied by veterans families under an arrangement between the Veterans Emergency Rentals, Inc., the F.P.H.A. and the City of Torrance.

J. H. Caldwell, veterans service director, said that first units are being occupied by families in acute need of shelter.

Among the veterans, their wives and children who will get a decent roof over their heads, as a result of Caldwell's nine-month fight for housing on the air strip will be five families who have been occupying trailers, tents and other makeshift accommodations in and near Gardena.

Officially in charge of managing the new "housing project" is Veterans Emergency Rentals, Inc., a non-profit organization of which Den Hamilton of Gardena, is president. Eligible to occu-

pany are any veterans of World Wars I and II and their families. The group obtained use of the 34 barracks buildings thru the Federal Public Housing Agency, which got them from War Assets administration, which got them from the Army Engineers. Under a contract with F.P.H.A. the veteran group guarantees to have the buildings removed within six months after the end of the housing emergency.

"What we would like to do," Caldwell declared, "is to make the air strip into a veterans' memorial park."

**CHIMPANZEES**  
Captive chimpanzees, given stout sticks or poles, soon devised a crude form of vaulting, according to the Encyclopaedia Britannica. The animals used the pole as a sort of crutch in this play activity.

## Civic Groups Plan Baseball Game As Picnic Main Event

A baseball game of five innings will highlight a family picnic night for Kiwanians and Rotarians Thursday, Aug. 21, in Torrance park.

The two civic organizations will start their game at 5:30 p.m. Dinner will be served at 7 p.m. Other games, including egg tosses and three-legged races, have been planned for the remainder of the evening.

Dr. R. A. Hoag, Rotarian, and Mark K. McVaine, Kiwanian, are in charge of program arrangements.

**CHICKEN FARMS**  
The number of chicken farms at the beginning of 1943 was estimated to be about 525,536, 000, according to the Encyclopaedia Britannica 1947 Book of the Year. This is slightly more than the 1945 number of 510, 939,000.

## Non-Housing Unit Construction Forms Available

Application forms for authority to construct non-housing units, including alterations and repairs to existing structures, under the Veterans Housing Program Order No. 1, may be secured at the Area Rent Control Office at 110 East Anaheim, Long Beach, Associate Rent Director Charles H. Blaylock, has reported. Formerly these application forms were available only at offices of the Housing Expediter.

Those who apply for authority to construct should ask for four copies of Form OHE 14-171, one copy of the fact sheet, and one copy of the Construction Limitation Regulation. The material is self-explanatory, easy to fill in, and when completed should be addressed to the Housing Expediter, Washington, 25, D. C.
